<h2>President's Letter</h2>	

Hope everyone is having a great new year so far! Wow—what a way to end last year and begin this year with all of the snow days. As we are a month into the new calendar year and the second half of the school year, I invite all of you to become more involved in Home & School. Please join us at any activity on campus. The room mothers' emails and grade-level Facebook pages are a great way to find out what's going on around school. Please contact your grade-level room mother if you need information about what is coming up!

We have some amazing room mothers and Home & School Club volunteers, they were busy the first half of the school year and especially in December. They provided a frozen casserole for all of the teachers and staff for Christmas, all STM students received cupcakes for their Christmas parties and had some of the best Christmas parties all planned by room mothers and H & S volunteers. It was a busy month, but what a blast!

The month of January has been just as busy with the Fun Run! We would like to thank everyone for participating in the run! We are excited to have Jennifer Corey and Theresa Gibson as the new Fun Run Co-Chairs for this years run!

Please come get involved! Hope to see you around campus,

Joanne Harvey
