Dear STM Families,

We are thankful to enjoy warmer weather this week and to be back in school as a wonderful STM community. I do not have any detailed information about whether we will need to make up days or not and will work with the State and Diocese to determine this need. Please know if we need to adjust our calendar, I will let you know as soon as we find out for certain.

Congratulations to our Future City team (Derick Vuong, Christine Ngo, Katherine Crutchfield, Parker Tatum, Grant Kisner, Jake Viscardis, Huy Le, Caroline Simoneaux, Tran-Anh Troung, and Sommer Nguyen) for placing 2nd in District competition this weekend. Special thanks to Mrs. Shirley Newman, Mr. Greg Tatum, and Mr. Michael Kisner for preparing our students for this advanced competition.

Congratulations to Micah LaGrange, Summer Nguyen, Ashlynn Howell, Madi DeVries and Emily Ponson, Isobel Ngo, Louis Holder, and Beverly Smith for participating in the Catholic High School Math Tournament this weekend. Micah placed 3rd overall in Pre-Algebra and our team placed first on the team test. We thank Mrs. Ann Dejean, Mrs. Michelle Smith, and Mrs. Karen Dartez for preparing these participants and attending the tournament.
