

**St. Thomas More Catholic School
Tuition and Fees Policy
2017-2018**

Registration fees are due at the time of application and are nonrefundable unless the student is not accepted. The registration fee includes per family a Capital Improvement fee (\$100) and Home and School dues per child (\$15). Applications are not considered complete without the registration fee.

Student fees are assessed to each student and are paid with tuition. Student fees are nonrefundable. The Capital Maintenance Fee (CMF) is assessed to families who are not “identified givers” of the church parish in which they are registered or who are not registered at one of our **in-parish churches** (St. Thomas More, St. Patrick, St. Anthony or Immaculate Conception Church). The CMF is paid with tuition.

Tuition is assessed based on (1) the Catholicity of the *student* and (2) whether or not the parents or guardians are *identified givers* in one of our in-parish churches as listed above. Parents or guardians who are registered at one of our in-parish churches, but are not *identified givers* of those parishes will be charged the “Other Catholic Church Parishes” tuition.

Identified givers must contribute the tithing amount required by their **church parish** to receive in-parish tuition for the next school year (e.g. in 2016 for the 2017-18 school year). Please contact the church parish in which you are registered for your required tithing amount. Tithing must be marked with the name of the family whose students attend St. Thomas More School.

Tuition and registration fees are set by the School Board of St. Thomas More School on a yearly basis. Tuition can be paid in one of two ways:

1. Paid in full by **June 16, 2017**.
2. Paid in 10 monthly installments by direct draft of a bank account designated by the parent or guardian. Monthly installments will be drafted on the **4th of each month, July through January**, then **March through May**. Re-registration fees are drafted in February. No tuition or fees are drafted in June.
St. Thomas More School does not require parents to apply for interest bearing bank loans if paying tuition monthly.

In the event that tuition or fees are not paid on a timely basis, the school reserves the right to withhold the student’s report card and the student’s records for transfer to another school until the matter is resolved satisfactorily.
