President's Report by Alicia Quebedeaux: Home and School's Sign-Up Genius is up and running. Everything is tabbed at the top. www.signupgenius.com/tabs/73376df0ea6c3efc35-stmhome . The office is willing to send out the link when we have a need. If you have an item that needs to be added to the Sign-Up Genius, send the details to Sara Kleinpeter sara.kleinpeter@gmail.com . A pamphlet will be sent out to families to sign up using a hard copy and to encourage them to use the Sign-Up Genius. It lists all the committees we have in Home and School with a description of each. The committees where there are a need are: Coke Rewards, Cafeteria helping serve lunch, and Kindergarten first day coffee. Sara Kleinpeter will take on the committee of getting the teachers their birthday treats. Also remember that Child Protection must be completed in order to volunteer on campus. The age for child protection is 18 and up.

Principal's Report by Mr. Brian Moscona: Thank you for your patience with Plus Portals. It will be much better when it is finished. The new IT person is transitioning everything. Also, please plan to attend a Parent Forum with Dr. Greg Brandao. RSVP to Greg to attend.

Report by Dr. Greg Brandao: The Parent Forums will help us develop strategic plans for the entire parish. We want a big picture/broad approach type plan. Three different dates and times have been set-up for the forums. If you cannot make one, please let Greg know and he will try to set up a time to meet with you. The topics that will be discussed in the forums are: Branding/Marketing, Campus Mastery Plan, Enrollment Management, and Finance. The meetings will last one hour. There are also forum meetings planned with the church parishioners.

COMMITTEE REPORTS:

Fundraising (Jennifer Corey, Theresa Gibson) - Boosterthon kickoff will be on 9/18. The Fun Run is on 9/27. Boosterthon will be on campus from 9/18-9/27. 10-12 volunteers are needed for each shift to mark laps and work the water station.
