SAINT THOMAS MORE ATHLETIC DEPARTMENT

Dear Parents,

The CSAA developmental football league formally the CYO is available to any 3rd or 4th grade boy at St. Thomas More meeting the requirements outlined in the athletic section of the current student handbook.

These teams are coached by college students and/or parents. Practice schedules vary on afternoon, and times in accordance with coach and field availability. The 3rd and 4th grade team will practice twice a week, and games are generally played on Saturdays or Sundays. The game sites will be at the different schools, not always at ours.

A parent of each player is required to work the gate and assist with pregame setup.

STM will provide a game jersey, pants, and pants pads. Each player must supply their own shoulder pads, practice jersey and pants, cleats, and helmet.

If you are interested in your child playing, please fill out and return the form with the sport fee of \$75.00. Checks should be made payable to STM Athletics.

Sincerely Yours,

Brant Ruiz
