SAINT THOMAS MORE ATHLETIC DEPARTMENT

Dear Parents,

I would like to give you some information regarding the formation of basketball teams at St. Thomas More. The CSAA developmental teams formally the CYO are available to any 3rd, 4th, or 5th grade student at St. Thomas More meeting the requirements outlined in the athletic section of the current student handbook.

These teams are coached by college students and/or parents. Practice schedules vary on night and times in accordance with gym availability. The 3rd, 4th, and 5th grade teams will practice on Saturday mornings and possibly a night during the week depending on gym availability. The games are generally played at night during the week and may involve some Saturdays. The game sites will be at the different schools, not always at ours.

Due to the current construction of our gym, all games this season will be played at other CSAA schools.

Coaches will be assigned and announced once the forms and payments have been submitted. The level of participation determines the amount of teams and coaches needed.

If you are interested in your child playing, please fill out and return the form with the sport fee of \$65.00. Checks should be made payable to STM Athletics.

Sincerely Yours,

Brant Ruiz
ruizb@stmbr.org
